REMARKS

In the Notice of Allowability an Examiner's Amendment was included that canceled claims 7-12 as directed to a non-elected species. However, in the AMENDMENT AFTER FINAL REJECTION filed on January 30, 2008, upon which the allowance was based, the claim structure was such that all the claims that had not been canceled by the applicants depended from allowed claim 1, either directly or indirectly. Accordingly, claims 7-12 should be restored as allowed claims, and such favorable action is respectfully requested.

Should the examiner have any question after considering this Amendment, he is cordially invited to telephone the undersigned attorney so that any such question can be quickly resolved in order that the present application can proceed toward allowance.

Respectfully submitted,

March 12, 2008
